Dogs

You know that a dog is a man's best friend. The dog is also man's oldest friend.

More than ten thousand years ago, dogs didn't live with people. They were wild.

Now dogs live with people and do many good things for them. Dogs can be "eyes" for blind people. There was a dog, Bruno, who saved 40 people in the mountains. Dogs help geologists to find metals. They help police officers to catch criminals.

If you have a dog, you know how clever dogs are. You can teach your dog to do many tricks: to bring things to you, to carry your bag when you do shopping, to help you with your school-bag when you come home from school.

Dogs usually like to swim and you can teach your dog to swim. But you must remember that some dogs are afraid of water.

Where do you leave your dog, when you go on holiday? Leave him in good hands: with a neighbour or a family friend. Take your dog to these people before you go away. Sit down and talk to them. Show your dog that they are your friends and he will like them.

Take care of your dog; never let him run wild in the street. If you are good to your dog, he will be your real friend.

More than ten thousand years ago, dogs didn't live with people. They were wild.

Now dogs live with people and do many good things for them. Dogs can be "eyes" for blind people. There was a dog, Bruno, who saved 40 people in the mountains. Dogs help geologists to find metals. They help police officers to catch criminals.

If you have a dog, you know how clever dogs are. You can teach your dog to do many tricks: to bring things to you, to carry your bag when you do shopping, to help you with your school-bag when you come home from school.

Dogs usually like to swim and you can teach your dog to swim. But you must remember that some dogs are afraid of water.

Where do you leave your dog, when you go on holiday? Leave him in good hands: with a neighbour or a family friend. Take your dog to these people before you go away. Sit down and talk to them. Show your dog that they are your friends and he will like them.

Take care of your dog; never let him run wild in the street. If you are good to your dog, he will be your real friend.

Dear Rebecca@mail.ru

That's a good idea, I want to answer for you questions!

I go to shopping once a month, that's why I have a lot of clothes, cosmetics, jewelry. Usually I go shopping with my parents, because they can buy for me many items. But sometimes I go shopping with my friends, we have fun! I hate go to the supermarket, but it is very important. In supermarket I usually buy food, for example vegetables, cheese, bread, cookies, chocolate, water, juice. In shopping mall I always buy clothes, shoes and electricity, for example: jeans, shirts, school uniform, sneakers, photo camera.

Hi Rebecca

I'm really glad to help you. I often go shopping twice a week, maybe once a week. I usually go shopping with my parents or friends. I go to Baltic Mall and there I buy some clothes like dresses or skirts. But I can buy there some pencils or pens for my school. Good luck with doing a project. If I go there with my friend, we go to the books with lots of love store and buy books like "The Vampire Diaries", "Twilight", "After" and also "The Girl on the Train".

Hello, I can give you some advices. I think that if you want to prepare food you'd better make this not so big but tasty. So someone could just come to the table, take food and eat it. And for example, keep dancing or singing.

About kind of entertainment... You'd better choose it by yourself because you didn't said what party is this. But if it's someone's birthday or you just want to hangout with someone, it would be better if there was enough space for games and dancing and some ballons with good colourful lighting. And if on this weekend the weather will be good and not so cold, it would be better of course do outdoors.

But anyway, ~~I don't know what kind of party you'll have~~, so the choice is yours.

Love,

Your friend,

I feel your exiting. I know how to help you with it. You should buy fruits and vegetables. With fruits you can make fruit salad. With vegetables you can make salad. Hallo, Jill!

You didn't make mistake when you write me about it. At first you must understand how a lot of people will be on your party. And cook food for all people. You must be ready for a lot of people. Also you must make a lot of limonad or juice. For food you can make pizza or burgers because everybody like it.

You must think what people will doing on your party. It can be boardgames or any activities.

I think better make the party outdoors. Because make party outdoors are faster and easier. Clearing outdoors faster than indoors. And you can invite more people because outdoors more place for people. Also outdoors more people can play in more games.

Good luck,
Kirill

Hi ~~Russian~~ friend Jill

I'm glad to see your e-mail. Sorry for not writing earlier. I was really busy with my school project.

I'm happy to see that you are having a party this weekend.

I think the best food for ^{the} party are burgers and pizza.

In my humble opinion, you should have a big country house, if you invite more than five friends, but you also can have the party at your home.

If I do the party, ~~it~~ it was indoors, because I think this variant is very comfortable and you can play any games with your friends.

I have to go now. Take care and keep in touch

Subject: party

Dear Jill thank you for your email, I'm always glad to hear from you.

You asked me about party. Well, I can say that I think nice food & party is pizza, because everybody like it. But anybody also love burgers. It is easy to cook pizza and burgers. I think ~~it~~ ^{the party} will be better outdoors, because it's nice to breathe healthy air. I think it will be better to make a party about animals, because everybody like animals. So it's a good idea to make a party, because everybody love it.

I'm sorry, I gotta go, because I'm doing my homework.

Three Centres of Power

There are three centres of power in London. Buckingham Palace is the centre of royal power. The Houses of Parliament are the centre of political power. Westminster Abbey is the centre of church power.

Buckingham Palace was built in 1703 by the Duke of Buckingham. King George III bought the palace in 1761. It is now the official home of the British Royal family of the former Queen Elizabeth II. There are nearly six hundred rooms in the palace.

The two Houses of Parliament (the House of Lords and the House of Commons) are in the Westminster Palace. It was built between 1840 and 1860. It was designed by architect Sir Charles Barry. The original Palace of Westminster was the home for the Royal family until the 16th century. Then it became the meeting place of the Parliament.

Westminster Abbey was a Norman church. The present building was started in 1245 by King Henry III. Westminster Abbey is a very important church. Nearly all the English Kings and Queens were crowned in Westminster Abbey. In 1953, Queen Elizabeth II was crowned in the Abbey.

Dear Jill,

Thanks for your letter. Of course I ~~can~~ ^{will} help you with planning your party.

At first, you should know the weather at day which will be a party. If it will be sunny, do party outdoors. If it will be cold or rainy, better do it indoors.

The best thing that you should do for food is to buy a lot of fruits, pizza and soda. Because this is a most popular food and drinks for.

Sorry, but I can't help you with entertainment. Try to ask about it your another friend. Have a good party!

with love,

3. Give 3 arguments "against"

essay on the next page.

Keeping animals in the zoos has advantages and disadvantages. It's not easy ~~to answer~~ to answer, must animals be in the zoos or not.

Nowadays keeping animals in the zoos isn't too bad, because people use to destroy nature for their needs. But also animals can feel uncomfortable to live in the nature ~~made~~ by human. People feed animals enough and animals ^{can} get any medicine help when it's necessary. Keeping animals in the zoo can bring ~~a lot of~~ lots of ~~people~~ ^{viewers} who want to watch how animals live. Also animals get protection from any wild entities.

Second argument against is the thing that animals can't ^{born} born more and more.

In conclusion, it's better to keep animals in the zoos when they need help, but for comfortable life real nature is much better.
